

MD 5 Corridor Transportation Study

The Maryland State Highway Administration and partnering agencies have begun a study looking into potential improvements to MD 5 from south of the US 301/MD 5 interchange at T.B. to north of I-495/I-95 (Capital Beltway), including the Auth Road/MD 5 intersection. Please join us to learn more about the project.

WHAT: The Alternates Public Workshop will acquaint the public with the need for the project and the progress of the study to date. Display areas will be set up explaining the Purpose and Need for the project, alternatives being considered, potential environmental impacts, related projects, and public transportation issues. State Highway Administration (SHA) representatives will be available to discuss the project issues, answer questions, and record your comments. No formal presentation will be given.

WHEN: June 15, 2006 – 5:00 p.m. to 8:00 p.m.

WHERE: Surrattsville Senior High School – Multipurpose Room
